

Posting a "Peddlers and Solicitors Prohibited" sign is like asking a telemarketer to add you to their "Do Not Call" list.

Cut out the sign provided above and post it at the main entry(ies) to your home or business. (To obtain a laminated version, either stop by the front desk at City Hall during office hours or call 651-739-5086 to request signs be mailed to you).

Please note that per the city's ordinance, nonprofit, religious, political, and educational organizations are exempted.

Persons going door-to-door in Oakdale are required to possess a city-issued license. If they cannot produce it or if you have any concerns, please call 911.
