Sec. 9-02. Purpose. The City Council finds that pawnbrokers, precious metal dealers and secondhand goods dealers potentially provide an opportunity for the commission of crimes and their concealment because such businesses have the ability to receive and transfer stolen property easily and quickly. The City Council also finds that consumer protection regulation is warranted in transactions involving pawnbrokers, precious metal dealers, and secondhand goods dealers. The purpose of this Chapter is therefore to prevent pawnbrokers, precious metal dealers and secondhand goods dealers from being used as facilities for commission of crimes and to assure that such businesses comply with basic consumer protection standards, thereby protecting the public health, safety, and general welfare of the citizens of the city.

To help the police department better regulate current and future pawn, precious metal dealers and secondhand goods dealer businesses, decrease and stabilize costs associated with the regulation of these industries, and increase identification of criminal activities in the industry through the timely collection and sharing of transaction information, this chapter also implements and establishes the required use a computer database maintained by a vendor that has been designated by the City of Oakdale Police Department. (Ord. 854, 01/14/20).

Sec. 9-03a. License Required. No person shall exercise, carry-on, or be engaged in the trade or business of pawnbroker, precious metal dealer, or secondhand goods dealer within the city unless such person is currently licensed under this Chapter. No pawnbroker, precious metal dealer, or secondhand goods dealer license may be transferred to a different location or a different person.
